Institution- wide						

Instructions: In a table (Table 5) provide data on the number of tenure-track faculty (total as well as the number of faculty from groups underrepresented in biomedical/behavioral sciences) for the current year only. Of these totals provide the number of faculty who are engaged in research. Enter data for the overall institution and for each participating department/school separately (examples are shown; include others as appropriate).

<sup>1</sup>African American, Hispanic American, Native American and Pacific Islanders are the underrepresented minorities in biomedical/ behavior sciences.

<sup>2</sup>Include and identify any other categories that the institutional policy has determined to be underrepresented in biomedical or behavioral research fields.
